"Wires received Arriving Friday noon unless you arrange otherwi

The influenza epidemic was quite severe in Calcutta some weeks but has abated I had a bad attack myself, the effects of which have yet completely disappeared I was therefore anxious to find out the e of thirgs at both Madras and Mysore Sir Sivaswamy Iyer wired last t that the epidemic was very severe at Madras We must consequently ten our stay at Madras as far as practicable I shall start from utta on Tuesday evening, arrive at Madras on Thursday and after break start in the evening by the Bangalore train This will take me to alore early on Friday morning, and if I get the Mysore train at once ould be at Mysore before noon

I have never seen the Kolar Gold Fields, and would like to see f possible, but I donot know whether influenza may not be raging both angalore and Kolar One of my friends here suggested that we might down at Bowringpet at 4 O'Clock in the morning, reach Kolar at 5 A M the gold mines, come back to Bangalore by motor, spend the day there, t by the evening train and arrive at Mysore early Saturday morning son of Mr Sundaram Iyer (your Deputy Chief Engineer) thought this t be arranged I am, however, entirely in your hands, and if you could a message to Sir Sivasawmy Iyer, it might reach me on my arrival adras on Thursday

My dear Sir

His Highness thinks the best plan would be for Sir Asutosh Mookerjee to come straight to Mysore He could easily motor up to Ooty from here- motor back to Mysore and then go to the Kolar Gold Fields by rail Necessary arrangements will be made by us for his or rather their(for the whole party is, I presume, going) accommodation at Coty Does he expect us to provide food also for them ? I think we ought to

I return his letter, with many thanks

Yours Sincerely
